[01 AUTONOMOUS IRL AGENT]

GENNETY

Dating AI Agent for IRL

"0 Swiping. Zero Chats. 100% Real Dates."

READY MVP ZERO-CHAT ARCHITECTURE OUTCOME-BASED JTBD

[02 THE REAL-WORLD GAP]

<3% OF DATING APP USERS REACH A REAL-WORLD DATE.

Millions are trapped in an endless loop of ghosting and dead-end chats.

1. **Attention Asymmetry:** Men get zero matches; women get overwhelmed by noise.
2. **The Chat Trap:** Days of empty messaging kill momentum before anyone meets.
3. **Broken JTBD:** Legacy apps optimize for screen time, not real-world outcomes.

[03 INDUSTRY RETENTION COLLAPSE]

THE DATING BURNOUT MACHINE.

Legacy apps aggressively monetize desperate users right before they uninstall.

*Because users leave with **zero results**, apps rely on predatory paywalls for false hope, creating negative word-of-mouth."*

[04 PARADIGM SHIFT]

FROM CHAT HELL TO INSTANT IRL DATES.

Shifting from paying for hope to buying guaranteed real-world outcomes.

[LEGACY DATING HELL]

- **10+ hours wasted weekly** on endless messaging, dead-end texting, and matching algorithms.
- **Constant risk of ghosting**, catfishing, and burnout before ever meeting in person.
- **Paying monthly subscriptions** strictly for false hope, lottery tickets, and temporary profile boosts.
